## ScanNCut- Vinyl Magic

Level: All

Instructor: Angie Smith

Pre-requisite: Basic ScanNCut class

Class Description:

Whether you want to try standard adhesive vinyl or Heat Transfer Vinyl (HTV), this is the class for you! Angie is bringing her large heat press - bring your design, HTV, and any fabric item you'd like to embellish. Alternatively, you can use standard vinyl to personalize "hard" items – water bottles, tumblers, etc. These quick, easy projects make great gifts.

Supplies: *Bring the following to class or purchase at Quilter's Corner with your class discount of 10%*

- ScanNCut Machine including ALL accessories that came with it
- Transfer tape for detailed designs & monograms
- "Weeding" tool
- Brother Vinyl and the items to put vinyl monogram on- aluminum tumblers, plastic water bottle, etc.

**AND / OR**

- HTV for fabrics and your fabric item

Preparation for Class:

Bring any design you wish to use on a USB. If you want to monogram, you can pick a font on your ScanN Cut or load any true type fonts you wish to use on your USB.

*Payment for classes and events is required at time of registration. With paid registration, you will receive 10% off all class supplies purchased through the end of the class. No refunds are given for cancellation within 7 days of class. Refunds are given for cancellations made 8 or more days prior to class date.*
