## Garment Sewing 101

### Klassic Kimono

**Level: Beginner**  
**Instructor: Paula Jarvis**

#### Class Description:

This class is the first in a planned series of garment classes. Sewers of all abilities will flourish in this fun, positive coaching environment as they create elegantly simple wardrobe staples.

For the first project, make a traditional, belted, Kimono-style garment. It is perfect for a 2<sup>nd</sup> layer over a tank or cami, beach cover-up, or lounging. Whether you like your Kimono short, medium or long, there is a length sure to please. An optional band on the sleeves can match the front trim and add a touch of contrast. In-seam pockets are included. Have fun with fabric!
