Mini Tuffet

Level: Confident Beginner

Instructor: Christine

Love Tuffets? Make an adorable mini in an afternoon! Designed to be a pin cushion, this is a perfect gift for your favorite quilter, or would be a great addition to your sewing room. The class will include instructions for using your ScanNCut to simplify fabric cutting, but the ScanNCut is not required.

Supplies:

- “Color Wheel” pin cushion kit
- Sewing machine in good working order
- ¼” foot for your machine
- 50 wt. cotton thread
- Machine needles: 75/11 quilting or 80/12 Microtex
- 5” Dollmaking Needle
- Hand-sewing needle
- Muslin: ¼ yard
- Fabric Scraps: (13) 1-1/2” x 5” or larger
- Fabric Scissors
- Pins
- Seam ripper
- Craft Glue (e.g. Aleene’s)
- Decorative Button with shank for tuffet top
- Flat button with 2 holes
- (4) drawer pulls for tuffet “feet” – these need to be threaded so they can be attached to a screw, not have the screw affixed to the pull. Be sure you like the look of these pulls from the side, as you will not be looking at them straight on. Home Depot and Lowe’s are good sources.

OPTIONAL:

- ScanNCut machine
- Standard Tack cutting mat, with a fabric support sheet. We can apply the fabric support sheet in class if you prefer.
