## Cover Stitch Know-How

Level: All

Instructor: Anne

### Description:

Want to feel comfortable about setting up your cover stitch machine? Let us help you get started! This class will acquaint students with all the basic functions of their cover stitch machines. Students will learn basic threading and settings for all stitch functions, stitch variations, and use of the included accessory feet.

**Supported machines:** All (1990 or newer) models with basic functionality. Brother cover stitch machines, other manufacturers, or mass market machines are welcome in this class.

### Supplies:

- Cover stitch machine in good working order
- Please bring all the accessories that came with your machine, including
  - Foot Pedal
  - Power Cord
  - Manual
- 4-5 cones of thread – ideally different colors
- Fabric scraps: 8" x 20" cotton, and a strip from an old (clean!) t-shirt or other knit fabric
- Scissors
- Needles

**Plan to arrive 15 minutes early for set-up.**

*Payment for classes and events is required at time of registration. With paid registration, you will receive **10% off all class supplies** purchased through the end of the class. No refunds or credits are given for cancellation within 7 days of class. Refunds are given for cancellations made 8 or more days prior to class date.*
