## Cat's Cradle Tool

Level: Confident Beginner and Beyond  
Instructor: Christine Van Buskirk

### Class Description:

We'll learn how to make "Cat's Cradle" units for the Star Bright table runner using the Creative Grids® Cat's Cradle Tool. Starting with only squares and rectangles, you'll end up with star blocks that only have triangles in them! Sewing this pattern is so much easier than it appears. The Cat's Cradle tool opens up all sorts of possibilities in quilting.
